1ST INTERNATIONAL CONFERENCE ON RECENT TRENDS IN AI ENABLED TECHNOLOGIES

About University Note: Papers which do not have any AI component will not fit in to this conference.

KL Deemed to be university was established in 1980-81, as KL College of Engineering, which was upgraded to KL College of Engineering Autonomous in 2006 by UGC, and was declared as a Deemed to be University in 2009 by UGC, MHRD Govt.of India. In 2018, university got accredited by NAAC with A++ grade. In 2019 UGC, MHRD declared this institution as Category I Institute. The first off-campus (KLH), has come up in 2018 at Aziznagar Road, Hyderabad. KL Deemed to be University offers outstanding undergraduate, postgraduate and doctoral programmes in engineering and management streams from both campuses. ThinkAI 2023 is the 1st international conference organised at KL (Deemed to be) University Hyderabad campus.

About Conference

The motivation for starting ThinkAI conference is to create a platform for students, research scientists, faculty, and industry staff to share new ideas in the field of AI and the technologies it enables. We invited highly acclaimed keynote speaker to this event who can educate attendees about AI and related technologies. We invite students and research scientists to spread their ideas and present their research contributions to the world. ThinkAI would be a flagship conference of KL University Hyderabad and an annual activity to hold every year where everyone can meet, share ideas and build networks.
