NATIONAL SPACE DAY.ON - 23/08/2024

We, Of KLH University 1(T) BN Organized a **NATIONAL SPACE DAY.**

In Conclusion, **NATIONAL SPACE DAY** starts by explaining the purpose and significance of the drive to become the fourth country to land on the moon and the first to reach its southern polar region on August 23, 2023. Hon'ble Prime Minister Shri Narendra Modi announced August 23 as "**National Space Day**" to honor this landmark achievement.

India is celebrating its maiden National Space Day on August 23, 2024, with the theme "**Touching Lives while Touching the Moon: India's Space Saga.**"

A myriad of events will unfold highlighting India's remarkable achievements in space, profound benefits to society, and boundless opportunities for people from all walks of life to engage with the Indian space program. These celebrations will culminate in the main event in New Delhi on August 23, 2024.
